

**PRIMARY SCHOOL OUTREACH EDUCATION
PROGRAMME –
WONDERS OF THE OCEAN**
For Primary 1 to 6 students
September 2010 to August 2011

P5

Wonders of the Ocean is a marine-themed exhibition kit developed in accordance with the curriculum of General Studies. Through story telling approach, the exhibition praises the beauty of ocean and promotes marine conservation to pupils in an inspiring and intriguing way. This education resource also serves as an excellent supporting material for teachers to organize marine-themed environmental education activities in campus. The objective is to motivate pupils to learn about the environment, to enhance their understanding of the interactions between our ocean and the society, in order to achieve the goals of Education for Sustainable Development.

A. INTRODUCTION

The exhibition pack is specially designed to raise primary school students' interest and concern in marine environment. The exhibition kit includes:

1. Exhibition Set

The set contains 15 full colour A1-sized (83 cm x 58 cm) bilingual panels. The topics include the introduction of different marine and coastal organisms, destructive human activities like pollution, reclamation and over-fishing. The aim is to acquaint pupils with the importance of balance between conservation of natural resources and socio-economic activities.

2. Teachers' Guide (hard and soft copies)

The guide includes 7 factsheets which provide valuable information to further elaborate all the contents on the panels. Five ready-to-use worksheets and nine suggested marine theme activities are also included in the guide to assist teachers in organizing environmental activities in schools. The different worksheets and interactive activities in the Teachers' Guide can suit for different teaching goals and study levels of students.

B. EDUCATION APPROACH

All the contents of the *Wonders of the Ocean* are presented in bilingual (Chinese and English) to enhance the language skills of students. All the cartoons and panel layout were drawn and designed by professional artists to attract primary students' interest.

Exhibition Panel Thumbnails is located at:
