ECO GUIDED VISITS			 BOOK NOW http://wwf.hk/corp_activities
Programme	About	Schedule	
<p>SUSTAINABLE LIVING AT ISLAND HOUSE, TAI PO</p> <p>@\$70 per person Group of 25 persons - \$1,750</p>	<p>An eco-visit to Island House, Tai Po where our WWF eco-guides will introduce sustainable lifestyle 'Change the way we live' tips that can be applied to our everyday lives. You will learn more about the history of one of Hong Kong's most important antiquities monument with its architectural history from 1904.</p>	<p>10am - 12pm 2pm - 4pm (2hrs)</p>	
<p>VISIT ISLAND HOUSE GARDEN, TAI PO</p> <p>@\$70 per person Group of 25 persons - \$1,750</p>	<p>The grounds of Island House, Tai Po cover an area of 1.75 hectares in English style gardens and lawns. Since the mid eighties, these protected gardens have been cared for by WWF and form part of our conservation studies centre. During our eco-guided visit you will learn more about the plants and trees species. You will experience the wonderful, peaceful surroundings.</p>	<p>10am - 12pm 2pm - 4pm (2hrs)</p>	
<p>COASTLINE DISCOVERY AT ISLAND HOUSE, TAI PO</p> <p>@\$70 per person Group of 25 persons - \$1,750</p>	<p>Marine shoreline ecosystems, coastline mangroves and wetlands are important to the health of our oceans. They protect communities from rising seas and tides. Our "Coastline Discovery" programme takes you on a journey to understand the shoreline ecosystem and look back to a time when Tai Po was a small market town of farmers and fishermen.</p>	<p>9:30am - 12:30pm 2pm - 5pm (3hrs)</p>	
<p>ECO GUIDED VISIT - EXPLORING MAI PO NATURE RESERVE, YUEN LONG</p> <p>@\$300 per person Group of 25 persons - \$7,500</p>	<p>Explore Hong Kong's pristine nature reserve at Mai Po, Yuen Long to see the biodiversity at Mai Po and meet WWF wetlands reserve staff. You will learn about the conservation of Mai Po and other wetlands along the East Asia Australasian flyway network.</p>	<p>9:30am - 12:30pm 2:00pm - 5:00pm (3hrs)</p>
